

# DA7000SS

## Towable Diesel Generator

AVAILABLE FOR RENT AT

[www.atsequipment.com](http://www.atsequipment.com)

*The DA7000SS is a diesel-powered portable generator suited for a variety of industrial and commercial applications.*

*The unit delivers dependable performance in a compact, sound-attenuated package.*

### PERFORMANCE DATA

Standby Output	7 kW
Prime Output	6 kW
Generator RPM	3600 RPMs
Generator Design	Revolving Field Self-Ventilated Dip-Proof Single Bearing
Voltage Regulation - (No Load to Full Load)	5 %
Power Factor	1
Armature Connection	Series
Excitation	Brushless with AVR
No. Poles	2 Pole
Frequency	60 Hz
Available Voltages - Single Phase 120V	120/240 Volts
Amps - Single Phase 120V	25 (2 Sets) Amps
Amps - Single Phase 240V	25 Amps
Insulation	Class F
Sound Level dB(A) - Full Load at 23'	65 dB(A)

### POWER SOURCE

Engine Make / Model	Kubota Z482
---------------------	-------------

### DIMENSIONS

Overall Length	45 in. , 114 cm
Overall Width	26 in. , 65 cm
Overall Height	35 in. , 80 cm
Approx. Net Wt. Dry	527 lbs. , 239 kg.
