DC ELECTRIC 19' SCISSOR LIFT

Compact Series

DC ELECTRIC Scissor Lifts

The Compact Series DC Electric Scissor Lifts offer Skyjack's easy to service, low maintenance design in a compact and versatile package. Equipped with variable speed front wheel hydraulic drive, and 90° steering, this model is capable of maneuvering in the smallest spaces. Featuring a 3' roll out extension deck, this Compact series model offers work heights of up to 25' and 25% gradeability. The platform on the SJIII 3219 boasts an industry leading capacity of 550lbs. The SJIII 3219 features durable steel swing-out component trays, providing unrestricted access for easy maintenance and service. Consistent with Skyjack's robust and reliable design features, the Compact series DC Electric Scissor lifts utilize Skyjack's standard color coded and numbered wiring system with analog based controls
