MIX-N-GO CONCRETE MIXER

The Mix-N-Go Concrete Mixer can mix up to three cubic feet of material, making it ideal for homeowners and small contractors. Available with a polyethylene drum, the Mix-N-Go is ideal for small footings and bases, binding block and concrete patching. It is available with a gasoline engine or electric motor for operator convenience. It can also be used as a wheelbarrow to transport concrete, and other material around the job site.

Features:

- Power — 1/2 HP, 115V single-phase UL- and CSA-approved electric motor.
- Pneumatic tires — for convenience on rough terrain.
- Gearbox — gears immersed in oil for long trouble-free life.
- Mixer stand allows drum to rotate 360 degrees, easily removed to use as wheelbarrow.

Specifications:

Model	Drum Construction	Max. Mixing Capacity*	Engine	Height	Width	Length	Stand Weight	Dry Weight
MC3PEA	Polyethylene	3.0 cubic ft.	3/4 HP, 115V, 1Ø Electric Motor	34"	23 - 5/8"	48 - 1/2"	35 lb.	138 lb.
